ANTI-ALLERGIC KIT

Protect your customers from food allergens and accidental cross-contamination with the multipurpose Araven Anti-Allergic Kit consisting of 30L Storage Box with Lid 530x396x159mm, Cutting Board 404x304x24mm and Sauce Bottle 35CL.

The transparent PP 30L Box is large enough to store all your tools needed for safe preparation of foods with allergens. The box can be also used for food storage and transportation. The durable LDPE Cutting Board with purple nonslip. Corners is reversable for double sided use. The 35 CL Sauce Bottle with purple color-coded nozzle & stopper visually distinguishes sauces containing allergens.
