the tightest
of spaces

Introducing... Slimline

**MADE IN
BRITAIN** 

The Foster slimline range of cabinets have been cleverly designed to fit in compact or awkwardly shaped kitchen environments, whilst still offering outstanding storage capacity, style and efficiency.

Bottom mounted refrigeration system draws air from the cooler part of the kitchen ensuring efficient operation

So slim that even the double door model can go through most single pedestrian doorways

Even temperature distribution and fast recovery achieved by advanced air circulation, meaning an optimum temperature to keep your food fresher for longer

Slender design, big performance! High quality forced air refrigeration system will operate up to 40°C (ISO Climate Class 5)

Energy efficient R290 refrigerant, the greenest refrigerant available on the market

Stainless steel exterior finish with 304 stainless steel door provides a durable product suitable for tough kitchen usage
