

PRODUCT USE GUIDE FOR GLASS RENOVATING POWDER A50

Product Description

A powdered detergent formulated for the refurbishment of drinking glasses, especially to remove rinse aid film. Can also be used, in the pre-treatment of new drinking glasses to remove all traces of chemicals used in glass manufacture, especially the mould release agents. In both cases, the head retention and lacing characteristics of beers will be maximized.

May be used as an aid to the normal maintenance cleaning of cabinet and rotary brush type glasswashing machines where the detergent action of the product will benefit the machine interior.

Recommended for use in public houses by all the major brewery companies.

Direction for Use

GLASS TREATMENT

1. Soak Treatment

Using a sink, add 100 grammes of Renovating Powder per 4 litres of hand hot water for the soak treatment of glasses. Totally immerse glasses for 5 to 10 minutes, then rinse thoroughly.

2. Cabinet Machine Method

Prepare the machine for use ensuring all jets and filters are clean. Ensure operating temperature is reached and add Renovating Powder at the rate of 240 grammes to the wash water. Put each basket of glasses through one machine cycle. Add 100 grammes of Renovating Powder to the machine after every fourth wash cycle. For fresh water machines add Renovating Powder at the rate of 100 grammes for each wash cycle.

MACHINE CLEANING

1. Cabinet Machine

After wiping out the machine, clean all jets and filters. Add 100 grammes of product to the wash tank. Operate the machine through 2 wash cycles. Drain and refill machine.

2. Rotary Brush Type Machine

Add 100 grammes of Renovating Powder to the wash water. Soak bowl and brushes overnight. Drain and rinse thoroughly before use. For other systems add 100 grammes of Glass Renovating Powder per 4 litres of hand hot water. Soak overnight. Rinse thoroughly before use.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children
