

Portable Beverage Bar

Stylish & Durable

Get your party started and uncork your profitability!

Choose a stylish, portable bar, complete with Cambro durability. This bar is impact resistant, waterproof, and will not crack, dent, bubble, rust or chip. Includes a 5-bottle speed rail and a 36kg capacity sink for bottle, can or mixer service. With 5" non-marking swivel castors, this bar is an outstanding choice for efficient and professional service.
