

MB-CS10

COCKTAIL STATION

The Modular Bar free standing Cocktail station has a worksurface at 850mm height with integral 50mm upstand. The MB-CS10 incorporates a fully insulated Ice well with 2 removable divide sections and a fully welded compact bowl drain and overflow. The unit is supplied with one shelf with a secondary position for an additional shelf. The shelves have incorporated upstand to the sides and rear to prevent glassware falling off.
