

MB-CS12

COCKTAIL STATION

The Modular Bar free standing Cocktail station has a work surface at 850mm height with integral 50mm upstand. The MB-CS12 incorporates a fully insulated Ice well with 2 removable divide sections and a fully welded compact bowl drain and overflow. The unit also includes a glass refresher integrated into the working surface and one shelf with a secondary position for an additional shelf. The shelves have incorporated upstands to the sides and rear to prevent glassware falling off.
