

MB-CSV15

COCKTAIL STATION WITH VOID

The Modular Bar free standing Cocktail station has a worksurface at 850mm height with integral 50mm upstand. The MB-CSV15 incorporates a fully insulated Ice well with 2 removable divide sections and a fully welded compact bowl drain and overflow. The unit also includes a glass refresher integrated into the working surface. There is a bin void with enclosed side to the left-hand side which is in easy reach of the bar tender.

The unit is supplied with one shelf with a secondary position for an additional shelf. The shelves have incorporated upstand to the sides and rear to prevent glassware falling off.
