

FOOD SAFETY INNOVATION

### Pitcher 2L./68oz

Araven has a wide range of products for serving displaying food as Pitcher 2L./68oz, in which great care has been taken with their design and functionality in order to satisfy the expectations of both serving and kitchen staff

#### TEMPERATURE RANGE °C

Temperatures from – 40°C to +90°C /  
-40°F to +194°F

#### BPA FREE

Bisphenol A free

#### MATERIAL: SAN

This material is very transparent when not coloured and gives the piece great visibility and shine. When it is mixed with dye, a great presence is also achieved. It is rigid but more fragile than other materials.
