

HEALTHY EATING

We are delighted to introduce our new range of healthy eating hero products, the new and improved Kilner® Fresh Storage collection!

Available in 4 key sizes - these products are perfect for meal prep, batch cooking and saving leftovers, working to reduce food waste.

New Fresh Storage

This practical stackable food storage collection is made from durable borosilicate glass which is perfect for storing food as glass doesn't stain or absorb odours.

The containers can be used throughout the cooking process, from preparing to storing. The benefits also include:

Freezer safe
-18°C / 0°F

BPA FREE
Toxic substances do not migrate into food during cooking

Microwave safe

Dishwasher safe

Does not stain or absorb odours or flavours

Stackable

Oven safe direct from freezer to oven 240°C/460°F (bases only)

Leak proof

Hardwearing and durable borosilicate base and tempered sodalime lid

Air-tight valve to lock in flavours and nutrients to ensure fresher food for longer.

Various storage sizes for all storing and meal options

Why choose Kilner®?

Fresher food, fresher you.

Your customers can keep their food at peak freshness for longer thanks to the unique airtight seal making storing whole, unprocessed ingredients easy.

A modern kitchen essential.

The collection is freezer, microwave and oven-safe (bases only). The containers can go from oven to fridge to lunch bag, letting you batch cook, store, and enjoy meals seamlessly.

Sustainable choice, with minimal effort.

A sustainable alternative to plastic, helping to reduce waste while supporting a balanced, healthy lifestyle with fresh ingredients.
