

STAND CK110

Assembly instructions

Step 1. Join parts no. 2 and no. 3 using the bolts provided "Bolt M6 Allen head" (see diagram).

Step 2. Bolt parts no. 8 to the adjustable legs of the stand.

Step 3. Bolt part no. 1 to the assembly obtained in the previous step.

Step 4. Bolt parts no. 4.

If your stand does not include tray-holder rack, skip step 4. Additionally, bear in mind that that kind of stand does not include the reference no. 8 "Bolt M5 x 15 slotted head".
